SPEAKER BIOS

MIKE BEDFORD

BSC (HONS) ACSM CFA Chief Executive & Founding Partner Of Woodhill Asset Management, Consultant To Metal Focus

SENIOR GOLD PRODUCERS – WHAT TO LOOK FOR WHEN PICKING A WINNER

Before co-founding WoodHill Asset Management, Mike Bedford's background has been predominantly in Mining and Financial Services, both in the UK and South Africa. Mike worked at AngloGold Ashanti for five years, managing the group planning processes and providing strategic support to CEO and main board directors. Prior to this role, for 21 years, Mike worked at Barnard Jacobs Mellet, reaching Director level, working as analyst and in sales. Here, he became head of international sales and was part of the executive management team that successfully listed the company and managed several international equity issues for South African clients.

JOACHIM BERLENBACH

Fund Advisor For The Earth Gold Fund Ui And The Earth Exploration Fund Ui

BULL & BEAR MARKETS IN GOLD: LESSONS LEARNED FROM THE LAST 15 YEARS

Joachim Berlenbach is a fund advisor for the Earth Gold Fund UI and the Earth Exploration Fund UI. He has an MSc degree in economic geology from the University of Cologne, a PhD in structural/mining geology from the University of Johannesburg (South Africa) and an MBA (Finance) from Durban University (South Africa). He is a geologist by training and worked for 11 years in deep level mining in the South African gold and platinum mining industry. Before launching the ERIG funds in 2006, he was co-founder of Craton Capital (2003). Prior to this he worked for Citibank (SSSB) and was rated best South African gold analyst (2001, 2002).

JAYANT BHANDARI

Institutional Investment Advisor

THE REAL REASON WHY INDIANS BUY GOLD

Jayant advises institutional investors on investment opportunities in the natural resource sector. Earlier, he worked for six years with US Global Investors and for one year with Casey Research. Before emigrating from India, he started and ran Indian subsidiary operations of two European companies. He still travels multiple times a year to India. He has written on political, economic and cultural issues for the Liberty magazine, the Mises Institute, Casey Research, Mining Journal, Zero Hedge, Lew Rockwell, the Dollar Vigilante, Fraser Institute, Le Québécois Libre, Mauldin Economics, Northern Miner, Mining Markets, etc.

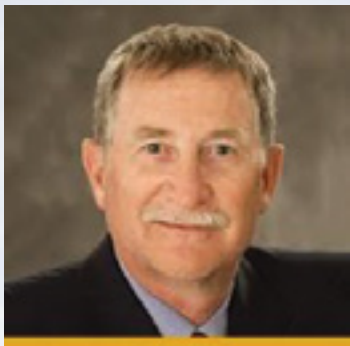

ANTHONY MILEWSKI

Vice President, Investment Team, Pala Investments

PANEL DISCUSSION: THE BUY-SIDE VIEW - WHAT NEXT FOR GOLD & SILVER EQUITIES

Anthony Milewski has spent his career in various aspects of the mining industry, including as a company director, advisor, founder and investor. He has managed numerous mining investments at various stages of development, including exploration, development, production and turnaround situations, and across a broad range of commodities. He has also served as a director of both public and private companies and has been seconded as interim CEO on multiple occasions. Prior to joining Pala, Anthony was an emerging market fund specialist for Firebird Management, and advisory & transactional work at Renaissance Capital in Moscow.

SPEAKER BIOS

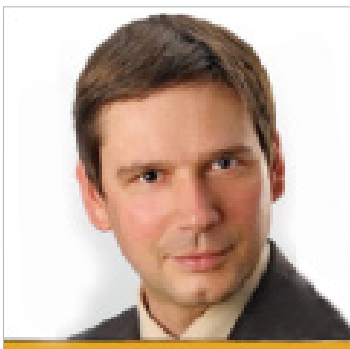

DR. MARTIN MURENBEELD

Chief Economist, Dundee Economics

GOLD PRICE REVIEW & FORECAST 2016

Martin Murenbeeld provides analysis and advice on economic and financial developments to both retail and institutional interests across North America and abroad. Dr. Murenbeeld graduated from the University of California, Berkeley, in 1972 with a PhD in international finance. He then joined the Faculty of Management Studies at the University of Toronto to develop the international business curriculum in the MBA program. He left the Faculty in 1978 to start M. Murenbeeld & Associates Inc. Frequently quoted in the financial press and a regular speaker at international precious metals and foreign exchange market conferences, Dr. Murenbeeld has over 30 years of independent consulting experience in the gold, currency and credit markets and is currently also an adjunct professor (international finance) in the Faculty of Business at the University of Victoria.

BJÖRN PAFFRATH

THE WORLD'S BEST PERFORMING GOLD FUND IN 2015

As authorized principal and head of trading, Switzerland-based fund adviser and newsletter writer, Björn Paffrath, has worked for a well-known asset manager in Germany and the United States from 2000 to 2005, where he was responsible for the precious metals and mining division. Since 2005 he has been involved with various award winning precious metal and resource funds. Drawing on a broad network, he finances projects and emerging producers. Paffrath is known in the media as the gold and mining expert of sought-after business partners and stock commentators. In addition, he is cofounder and chief editor of the well-known, subscriber-based, financial and mining market letter, Cashkurs®Gold.

EGON VON GREYERZ

Founder And Managing Partner Of Matterhorn Asset Management Ag And Goldswitzerland

GOLD IN THE INTERNATIONAL FINANCIAL SYSTEM

Egon von Greyerz forecasted the current problems in the world economy well over 10 years ago. In 2002 when gold was \$300 per ounce, MAM advised its investors to put 50% of their investment assets into physical gold stored outside the banking system. Egon von Greyerz started his working life as a banker and spent 17 years as Finance Director and Executive Vice-Chairman of a FTSE 100 company in the UK, Dixons Group Plc. EvG is actively involved with financial investment activities including M&A and Asset allocation consultancy for private family funds. This led to the creation of Matterhorn Asset Management in 1998. He makes regular media appearances, speaks at investment conferences and has authored many articles.

We value your feedback. Please complete the attendee feedback survey to be entered into a random drawing for a 1oz gold coin. Complete the survey at <http://bit.ly/1SaG9ch>
